billboard offerlope

An envelope with a removable panel that reveals a message underneath.

An inexpensive way to leverage your mail costs

Very simple to implement. Just send us the PDF of the voucher and we can incorporate into the next production run of you envelopes.

The removable panel is perforated for easy removal.
The panel can be of any shape or size.
The exposed panel can be of any material (eg. Gloss Coated) up to 130gsm.
The voucher can be printed in process colour id required.
The exposed panel can have a secondary perforation for removal and use as a voucher.
